The accompanying form of proxy (the “**Proxy**”) is for use at the Annual General and Special Meeting of the shareholders of the Company to be held on Wednesday, June 6, 2018 (the “**Meeting**”), at the time and place set out in the accompanying notice of Meeting (the “**Notice of Meeting**”). While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. The Company will bear the cost of this solicitation.

VOTING INSTRUCTIONS

Registered Shareholders

Registered shareholders hold common shares that are registered directly in their names. **Registered shareholders may vote by attending the Meeting, by appointing proxyholders, by telephone or by voting online.**

Registered shareholders that wish to vote in person at the Meeting do not need to complete and deposit the accompanying form of Proxy and should register with the scrutineer at the Meeting.

Registered shareholders that wish to appoint a proxyholder to vote at the Meeting may complete the accompanying form of Proxy. The accompanying form of Proxy names a director and/or officer of the Company as a proxyholder/alternate proxyholder (the “**Management Nominees**”). **Registered shareholders that wish to appoint another person who need not be a shareholder to serve as proxyholder/alternate proxyholder at the Meeting may do so by striking out the names of the Management Nominees and inserted the desired name(s) in the blank space provided in the accompanying form of Proxy. Registered shareholders may direct the manner in which their common shares are to be voted or withheld from voting at the Meeting by marking their instructions on the accompanying form of Proxy. The common shares represented by the accompanying form Proxy will be voted or withheld from voting by the Management Designees in accordance with the instructions of registered shareholders. If there are no instructions, those common shares will be voted for each matter. The accompanying form Proxy grants the proxyholder discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, Management knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.**

Alternatively, registered shareholders may vote by telephone (1-866-734-8683) or online (www.investorvote.com) using the control number listed on the accompanying form of Proxy.

To be valid, completed proxies must be deposited with or telephonic/online votes must be received by Computershare Investor Services Inc. The Proxy may be revoked by:

- (a) completing a Proxy with a later date and depositing it by the time and in accordance with the instructions above;
- (b) signing and dating a written notice of revocation and delivering it to the Company’s registered office any time up to and including the last business day preceding the day of the Meeting, or any postponement or adjournment or to the Chairman of the Meeting on the day of the Meeting, or any postponement or adjournment; or

Alternatively, some non-registered shareholders may be able to vote by telephone or online and should refer to the voting instruction form (or other form) accompanying the Circular for further details and instructions.**

If non-registered shareholders wish to vote in person or through a proxyholder at the Meeting, it is critical to follow the required procedures for appointing proxyholders given that the Company does not have unrestricted access to the names of the Company’s non-registered shareholders and accordingly would not otherwise have any record of a non-registered shareholder’s entitlement to vote at the Meeting.

Non-registered shareholders may appoint themselves or nominees as proxyholders using one of the following procedures:

- (a) **carefully following the instructions for appointing a proxyholder contained in the accompanying voting instruction form (or other form) accompanying the Circular and ensuring that such request is communicated to the appropriate person well in advance of the Meeting and in accordance with such instructions; or**
- (b) **unless prohibited by applicable corporate law, submitting any other document in writing to its intermediary requesting the non-registered shareholder or its nominee be given authority to attend, vote and otherwise at for and on behalf of the registered shareholder in respect of all matters that may come before the Meeting or any postponement or adjournment by 10:00 a.m. (local time in Toronto, Ontario) on Monday, June 4, 2018 (or before 72 hours, excluding Saturdays, Sundays and holidays before any postponement or adjournment of the Meeting.**

Non-registered shareholders that wish to vote through their intermediaries using the voting instruction form (or other form) accompanying the Circular should carefully follow the instructions contained in the voting instruction form (or other form) accompanying the Circular and should ensure that such instructions are communicated to the appropriate person well in advance of the Meeting.

Non-registered shareholders that wish to change voting instructions or to appoint a proxyholder after delivering voting instructions in accordance with the instructions on a voting instruction form (or other form) accompanying the Circular should contact their intermediary to discuss whether this is possible and what procedures must be followed.

Pursuant to the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Company is sending proxy-related materials to both registered and non-registered shareholders. Non-registered shareholders fall into two categories: those who object to their identity being known to the Company (“**OBOs**”) and those who do not object to their identity being made known to the Company (“**NOBOs**”).

The Company is sending proxy-related materials to intermediaries for distribution to NOBOs pursuant to NI 54-101. Unless NOBOs waive the right to receive proxy-related materials, intermediaries are required to deliver materials to NOBOs and to seek voting instructions from NOBOs.

The Company will not assume the costs of delivery of proxy-related materials for the Meeting to OBOs. Accordingly, OBOs may not receive proxy-related materials for the Meeting unless intermediaries assume the cost of delivery.

EXECUTIVE COMPENSATION

Named Executive Officers

During the financial year ended January 31, 2017, the Company had three Named Executive Officers (“NEOs”) being, Thomas Atkins, the President and Chief Executive Officer (“CEO”), and Errol Farr, the Chief Financial Officer (“CFO”), and Richard Simpson, Vice-President of Exploration (“VPEX”) of the Company.

“Named Executive Officer” means: (a) each CEO, (b) each CFO, (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and (d) each individual who would be a NEO under (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

The Board of Directors (the “**Board**”) compensation program is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive’s level of responsibility. In general, a NEO’s compensation is comprised of management/consulting fees and stock option grants.

The objectives and reasons for this system of compensation are generally to allow the Company to remain competitive compared to its peers in attracting and retaining experienced personnel. All salaries and/or consulting fees are to be set on a basis of a review and comparison of compensation paid to executives at similar companies.

The Board has not proceeded to a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation programme, and the Board does not believe that the Company's compensation programme results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The Company's NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Share-Based and Option-Based Awards

The Company does not grant share-based awards. The Board is responsible for granting options to the NEOs. Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs. When new options are granted, the Board takes into account the previous grants of options, the number of stock options currently held, position, overall individual performance, anticipated contribution to the Company's future success and the individual's ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders.

The exercise price of the stock options granted is generally determined by the market price at the time of grant, less any allowable discount.

Exemption in Section 6.1

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating three (3) individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. All of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for Thomas Atkins, who is the President and CEO of the Company and Richard Simpson, VP Exploration.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and the President. The Board will give direction and guidance through the President to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee, Governance and Nomination Committee and New Projects Acquisitions Committee and the chairperson of each committee. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities of each committee, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of both the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material

transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

Directorships

The following directors of the Company are also directors of other reporting issuers as stated:

- Thomas Atkins is a director of Transition Metals Corp;
- Richard Simpson is not a director of any other company;
- Paul O’Brien is not a director of any other company.

Orientation and Continuing Education

Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company’s affairs and plans prior to obtaining their consent to act as a director.

The Board provides training courses to the directors as needed, to ensure that the Board of Directors is complying with current legislative and business requirements.

Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct through communication and supervision as part of their overall stewardship responsibility.

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and a majority of the non-executive directors.

The purpose of the Governance and Nominations Committee is to monitor and to generally be responsible for developing the Company’s governance and human resources policies and guidelines relating to corporate governance and human resources and overseeing their implementation and administration.

The Governance and Nominations Committee is responsible for ensuring a compensation policy and practice that is supportive of the Company’s business strategies and that appropriately links senior management performance and compensation. In addition, the Governance and Nominations Committee shall ensure the recruitment, ongoing long-term development and deployment of high calibre senior management. In particular, the Governance and Nominations Committee shall establish levels of salary, bonus, benefits and incentives provided to persons acting as officers of the Company.

Annually, following the annual general meetings of the Company, the Board elects from its members not less than three directors to serve on the Governance and Nominations Committee. Each member holds office until the close of the next annual general meeting of the Company or until the member resigns or is replaced, whichever first occurs. The Board appoints one of the directors on the Governance and Nominations Committee as the chairperson (the “**Governance and Nominations Committee Chairperson**”), whose duties include overseeing the proper functioning of the Corporate Governance Committee to ensure the proper discharge of its duties, to schedule meetings and to ensure timely reporting to the Board.

The Governance and Nominations Committee meets at least once per year and may call special meetings as required.

The members of the Governance and Nominations Committee are Tom Atkins and Paul O’Brien.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company’s corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

The purpose of this Advance Notice Policy (the “**Policy**”) is to provide shareholders, directors and management of the Company with a clear framework for nominating directors. It is the position of the Company that this Policy is in the best interests of the Company, its shareholders and other stakeholders. This policy will be subject to an annual review, and will reflect changes as required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

NOMINATIONS OF DIRECTORS

1. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. Nominations of persons for election to the board of directors of the Company (the “**Board**”) may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors:
 - (a) by or at the direction of the Board, including pursuant to a notice of meeting;
 - (b) by or at the direction or request of one or more shareholders pursuant to a “proposal” made in accordance with Division 7 of the *British Columbia Business Corporations Act* (the “**Act**”), or a requisition of the shareholders made in accordance with section 167 of the Act; or

3. To be timely, a Nominating Shareholder's notice to the Secretary of the Company must be made:
 - (a) in the case of an annual meeting of shareholders, not less than 36 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the "Notice Date") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and
 - (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.
